

Nine Pound Hammer

Well the nine pound hammer Is a little too heavy
for my size Buddy for my size

*Roll on, Buddy don't you roll so slow,
How can I roll when the wheels won't go?*

It's a long way to Harlan, and a long way to Hazard
Just to get a little booze, just to get a little booze

Chorus

There ain't one hammer, That's in this tunnel
That can ring like mine, that can ring like mine

Chorus

I'm going to the mountain, just to see my baby
And I ain't coming back, no I ain't coming back

*I roll on buddy, with a load of coal
How can I pull when the wheels won't go*

Well the nine pound hammer Is a little too heavy
for my size Buddy for my size

Chorus
