

Steam Powered Aereoplane

Well I dreamt I went away on a steam powered aeroplane.
Am G Am
I went and stayed and I damn near didn't come back again.
G Am
Didn't go very fast on a steam powered aeroplane,
Am C G
Oh the wheels went around, up and down, and inside and then back again.

Am Bm
Sittin' in a 747 just watching them clouds roll by,
Am G
Can't tell if it sunshine or it's rain.
Am G
Rather be sittin' in a deck chair high up over Kansas City,
Am Am/B C C/G D
On a genuine old-fashioned authentic steam powered aero plane.

Solos

Well I'd like to be a pi-lot on a steam powered aeroplane.
Am C G
Well I'd pull that pilot wheel around and then back again.
G Am
Well, I'd wear a blue hat, yeah, that says Steam Powered Aeroplane
Am C G
With letters that go all around the rim and then back again.

Am Bm
Sittin' in a 747 just watching them clouds roll by,
Am G
Can't tell if it sunshine or it's rain.
Am G
Rather be sittin' in a deck chair high up over Kansas City,
Am Am/B C C/G D
On a genuine old-fashioned authentic steam powered aero plane.
