Little Cabin Home on the Hill

```
A                 D              A
Tonight I'm alone without you my dear
    A                                E
Its seems there's a longing for you still
A                       D             A
All I have to do now is sit alone and cry
       A             E           A
In our little cabin home on the hill
```

```
        D                        A
     Oh someone has taken you from me
         A                   E
     And left me here all alone
          A                    D                  A
     Just listen to the rain beyond my window pane
            A             E            A
     In our little cabin home on the hill
```

```
I hope you are happy tonight as you are
For in my heart there's a longing for you still
I'll just keep it there so I won't be alone
In our little cabin home on the hill
```

Chorus

```
And when you have come to the end of your way
And find there's no more happiness for you
Just let your thoughts turn back once more if you will
To our little cabin home on the hill
```

[Chorus] x2
