

I Wonder Where You Are Tonight

G C
Tonight I'm sad my heart is lonely
D7 G
Wondering if I'm wrong or right
G C
To think about you though you've left me
D7 G
I wonder where you are tonight

C G
The old rain is cold and slowly falling
G D7
Upon my window pane tonight
G C
And though your love was even colder
D7 G
I wonder where you are tonight

Your heart was cold you never loved me
Though you often said you cared
But now you've gone to find another
Someone who'll know the love I've shared

Chorus
