In the cabin in the hills of Caroline

I'm packing my grip for that long long trip
Back to the hills of Caroline
I wanna see that blue eyed girl she's the sweetest in the world
And the cabin in the hills of Caroline

And when it's late at night and the moon is shining bright
And the whippoorwill is calling from the hills
Then I'll tell her of my love beneath the stars above
That I love her and I know I always will.
