

Ain't Nobody Gonna Miss Me When I'm Gone

Bb *Eb*
There ain't nobody gonna miss me when I'm gone
Eb *F7*
There ain't nobody gonna mourn for me too long
Bb *Eb*
Won't you write these words upon my headstone
Bb *F7* *Bb*
There ain't nobody gonna miss me when I'm gone

Once I had a little sweetheart I loved dearly
We planned the day that she would be my own
Some other man he stole my darlin' from me
Now there ain't nobody gonna miss me when I'm gone

Chorus

Once I had a lovin' mother dear and pappa
But now they're in the land where angels dwell
They have found eternal rest way up in heaven
Where I'll find my reward no one can tell

Chorus

You've been patient, kind, and true to me old Copper
You're the only one that's never done me wrong
Come closer while I pat your head old Copper
Now there ain't nobody gonna miss me when I'm gone

Chorus
