Wanna be back in Tennessee

Way down in Columbus Stockade

Friends have turned their backs on me

***So go away and leave me if you wish to***

**C D7**

***Never let me cross your mind***

**G**

***In your heart you love another***

**D7 G**

***Leave me little darling I don't mind***

Many a night with you I've rambled

Honey, countless hours with you I've spent

Thought I had your sweet love and your little heart forever

But I find it was only lent.

### ***Chorus***

Last night as I lay sleeping

Oh, I dreamed that I was you in my arms

When I woke I was mistaken

Lord, I was still behind these bars

### ***Chorus***
