

I Wonder Where You Are Tonight

G C
Tonight I'm sad my heart is lonely
D G
Wondering if I'm wrong or right
G C
To think about you though you've left me
D G
I wonder where you are tonight

C G
The old rain is cold and slowly falling
G D
Upon my window pane tonight
G C
And though your love was even colder
D G
I wonder where you are tonight

Your heart was cold you never loved me
Though you often said you cared
But now you've gone to find another
Someone who'll know the love we've shared

Chorus

Then came the dawn the day you left me
I tried to smile with all my might
But you could see the pain within me
That lingers in my heart tonight

Chorus
