

I Can't Go On This Way

Po' Rambling Boys

I vi
When you left me you said you'd return dear
IV V
You said you'd be back some day
I vi
Oh please let me hear from you darling
IV V I
I just can't go on this a-way

IV I
I know you never did love me
II V
But I thought that you would dear some day
I vi
Oh please let me hear from you darling
IV V I
I just can't go on this a-way

Remember the good times together
You said that you'd love me so true
As I sit here the stars hover over me
There's a love in my heart dear for you
