Looks like baby's coming home my my my

She's been gone for one long year my my my
I've been wishing she was heremy my my
I'm tired of living all alone The TV set and the telephone
Looks like baby's coming home my my my

She pulled up in bluehorn my my my
Made me so happy I was born my my my
Tired of living in a tent, I'll even help ya pay the rent
Love said I was heaven sent my my my

See her coming down the road, my my my
Pickup truck with a heavy load my my my
I'm tired of living all alone The TV set and the telephone
Looks like baby's coming home my my my

I'm tired of living all alone The TV set and the telephone
